SUMMARY

A graphic designer with a passion for game design and UI/UX design for a decade now.

EXPERIENCE

Watch Your Wrist – Product image editor

December 2025 – Now • Atlanta, Georgia, United States

I worked at Watch Your Wrist, a luxury watch retailer, as a Photo Editor for e-commerce and marketing materials.

- I enhanced product photography using Adobe Photoshop / Lightroom, ensuring consistent color accuracy, sharpness, and composition.
- I collaborated with cross-functional teams to deliver polished visuals that meet brand standards, improving my teamwork skills.

Nutrili – Graphic Design Intern

July – September 2024 • Beirut, Lebanon

I worked at Nutrili, a dietary supplements company based in Dubai, for three months.

- I designed labels, packaging, social media posts, and advertisement emails contents.
- I closely collaborated with the marketing department as well as other graphic designers, improving my teamwork skills.

EDUCATION

LAU (Lebanese American University) – BFA Graphic Design

2024 – Now • Lebanon

- Gained a foundation in art and design principles, typography, motion design and animation.
- Participated in multiple workshops and talks concerning design.
- Before enrolling, I participated in MEU (Model European Union) which improved my public speaking, research and debate skills.

VOLUNTEERING

UNESCO Club – Highschool LFIML

2021 – 2024 • Fanar, Lebanon

I participated in fundraising for people in need and cancer patients, waste cleanup, food collection and community service.

Red Cross Club – LAU

Spring Semester 2025 • Beirut, Lebanon

I took part in fundraising and school awareness campaigns on mental health and more.
